## **Oakworth Capital Bank Continues to Receive Highest Ratings in National Rankings**

Strong financial condition earns highest grade from 3 financial ratings firms

BIRMINGHAM, Ala. –Weiss Ratings, one of the nation’s leading independent providers of ratings & analysis of financial services in the U.S., has again issued a financial strength rating of "A" or “Excellent” for Oakworth Capital Bank. Weiss Ratings uses a proprietary model which places greater emphasis on a company’s future financial solvency and its ability to withstand severe economic adversity. Weiss Ratings states, “For this reason, a company receiving this financial strength rating demonstrates itself to be among the industry’s elite.”

In addition to Weiss, Oakworth continues to hold a “5 Star – Superior” rating with both BauerFinancial and bankrate.com. Each ratings agency assesses a combination of stability and earnings measurements to determine their ratings.
